

# 100 Football

## Training Equipment

### 1. Team vest - medium

Two-coloured, reversible, red-blue, nylon fabric. Per unit.

Ref. no. S5.V8615

### Team vest - large

Two-coloured, reversible, red-blue, nylon fabric. Per unit.

Ref. no. S5.V8616

### 2. Team vest - medium

Two-coloured, reversible, yellow-green, nylon fabric. Per unit.

Ref. no. S5.V8617

### Team vest - large

Two-coloured, reversible, yellow-green, nylon fabric. Per unit.

Ref. no. S5.V8618

### 3. Football throwing machine

Balls can go up to 65 m, ball speed 15 to 120 km/h. Many possibilities for technical training. The football machine stimulates left and right-footed shots, spin impacted balls, high lofting balls, directions, etc. Also very useful for goalkeeping training.

Operates on 220V, can also operate on 110V, or be generator-operated. Please mention when ordering.

Ref. no. S6.S6600

### 4. Soccer heading and kicking unit

Construction in reinforced aluminium profile of 80 x 80 cm, single arm 165 cm protruding. Height stand 450 cm, complete with cleat, rope, ground sleeve with cover.

Ref. no. S6.S6605

### Soccer heading and kicking ball

Leather, equipped with snap hook.

Ref. no. S6.S6606

### 5. Stopwatch Blizzard - Hanhart - Delta II

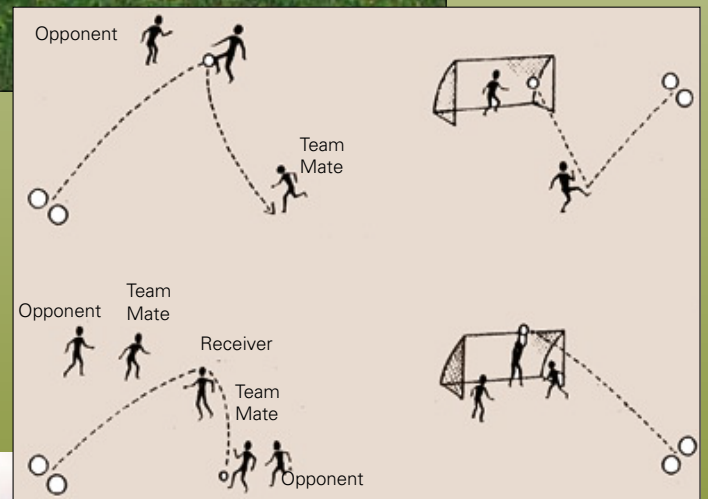

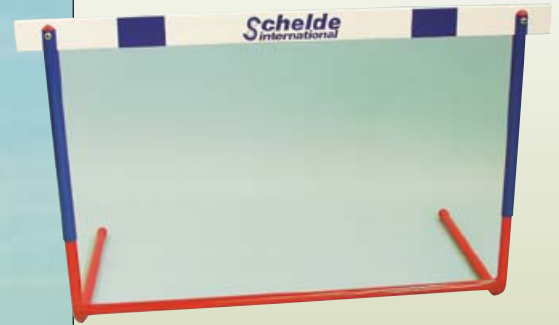

Electronic, digital, 1/100 sec. Functions: split - addition - lap - 2 final times. Also mentions date and time. Comes with battery.

Ref. no. S8.A0111

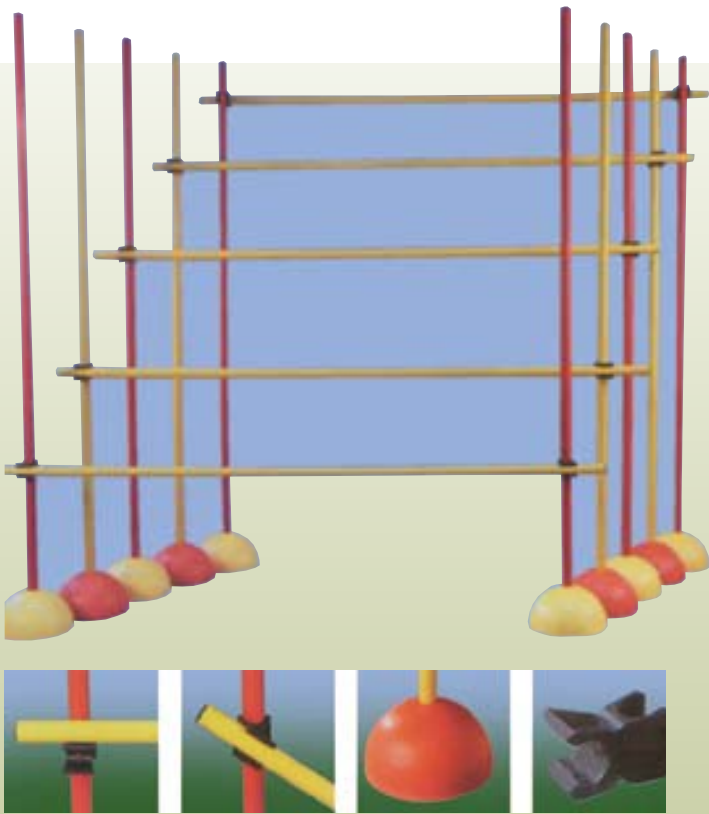

### 6. Training Hurdle

Suitable for all kinds of exercises. Lacquered metal with aluminium upper tube and white-blue lacquered wooden crossbar. Six adjustable heights 68,6 - 76,2 - 84 - 91,4 - 100 - 106,7 cm. With scale and fixed incorporated counter-weight. Per unit.

Ref. no. S8.0900

Heart rate monitors:  
see page 157

1

## 1. Multi-purpose training set

Composed of:

- 9 yellow and 6 red synthetic posts of 160 cm long
- 6 yellow and 4 red socles  $\varnothing$  20 cm for sand filling
- 10 revolving post clamps.

Per set.

Ref. no. S5.V4510

7

## 2. Training hurdle auto-return

Aluminium, folding, height adjustable 66-106 cm. Weight 2,6 kg. Return automatically in upright position.

Ref. no. S8.A0970

6

## Marker cones

3. Soft plastic, square base, height 23 cm, blue. Per unit.

Ref. no. S5.V8460

4. Soft plastic, square base, height 28 cm, yellow. Per unit.

Ref. no. S5.V8462

5. Soft plastic, square base, height 40 cm, red. Per unit.

Ref. no. S5.V8464

## Traffic cones

6. Heavy duty solid rubber, red-white, height 32 cm. Weight 0,9 kg. Per unit.

Ref. no. S5.V8401

7. Heavy duty solid rubber, red-white, height 50 cm. Weight 1,6 kg. Per unit.

Ref. no. S5.V8402

## 8. Marking domes

Set of 10 yellow, 10 red, 10 white and 10 blue domes with holder.

Per set.

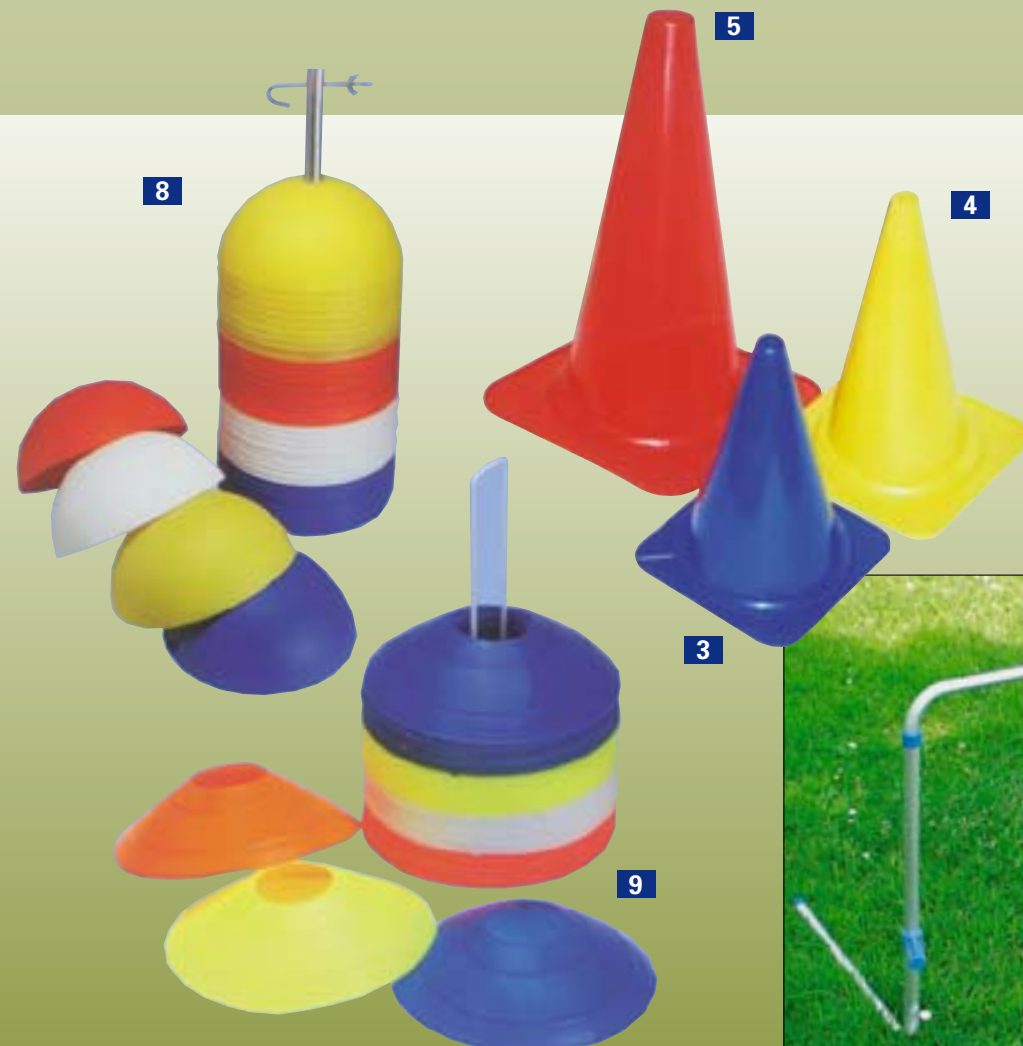

Ref. no. S5.V8455

## 9. Multimaker

Set of 10 blue, 10 yellow, 10 white and 10 red markers with holder.

Per set.

Ref. no. S5.V8456

# 102 Football

## 1. Universal base

Made of solid non marking rubber  
 ø 27 cm, weight 3 kg, fit for posts of  
 28 mm ø and 45 mm ø. Suitable for  
 indoor/outdoor use.

Ref. no. S5.V9500

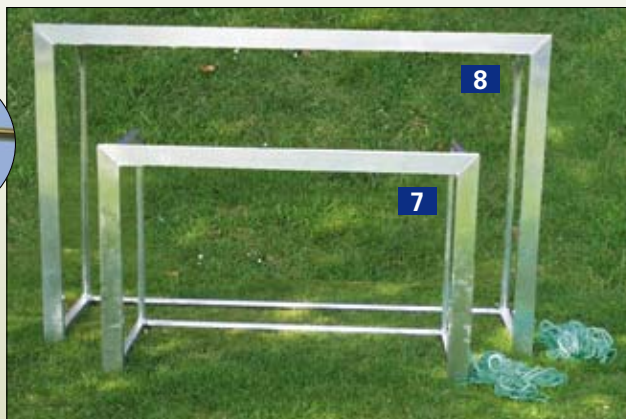

## 2. Skipping rope

Hemp 280 cm with knotted ends.

Ref. no. S5.V6501

## 3. Medicine balls

are made of a special synthetic rubber at high specific weight. This permits to have high weight in small size. They are inflatable and rebounding; the valve is replaceable if broken after long use.

## Medicine ball - rubber

Can be inflated and deflated.

1,0 kg ø 19 cm. Per unit.

Ref. no. S5.V2034

1,5 kg ø 19 cm. Per unit.

Ref. no. S5.V2035

2,0 kg ø 19 cm. Per unit.

Ref. no. S5.V2036

3,0 kg ø 19 cm. Per unit.

Ref. no. S5.V2037

4,0 kg ø 19 cm. Per unit.

Ref. no. S5.V2039

5,0 kg ø 19 cm. Per unit.

Ref. no. S5.V2038

## 4. Training goal

Duraluminium, ø 80 mm,  
 2,5 x 1,0 m, folding metal  
 net supports, rubber floor  
 protectors, white enamelled,  
 exclusive of net. Per unit.

Ref. no. S6.S6701

## 5. White reinforced nylon net

2,5 mm, meshes 5 x 5 cm. Per unit.

Ref. no. S6.S6801

## 6. Freestanding training goal

For indoor and outdoor use.

Dim. 150 x 75 x 50 cm. With metal wire  
 mesh back and sides. Galvanised steel.

Per unit.

Ref. no. S6.S7000

## 7. Very sturdy welded construction of aluminium profiles

80 x 40 mm with dismantable ø 30 mm  
 round tube base frame and net holders.

Inclusive of PE net 3 mm, green,  
 meshes 100 x 100 mm.

Dimensions 120 x 80 cm, depth 70 cm.

Ref. no. S6.S6430

8. Same as S6.S6430 however  
 dimensions 180 x 120 cm, depth 70 cm.

Ref. no. S6.S6431

## 9. Youth goal

Welded steel construction of ø 30 mm tube  
 with base and net supports, white finish.

Dimensions 160 x 115 cm, depth 50 cm.

Ref. no. S6.S3815

## 10. Net

For S6.S3815 in 3 mm PE black, meshes  
 100 x 100 mm, inclusive of fixation cord.

Ref. no. S6.S3817

## 11. Street soccer goal

Welded aluminium construction 300 x 100 cm.

Ref. no. S6.S6432

## 12. Goal net

For S6.S6432

Ref. no. S6.S6435

## 13. Reaction belt (see picture next page)

An excellent means to train the reaction.

The athletes are connected with each other by means of a nylon strap. The aim of the exercise is to stay connected with each other. One athlete moves, the other one must react. As soon as there is too much space between the athletes, the strap will disconnect automatically.

Ref. no. S8.A9010

## Refereeing equipment

### 1. Linesman flag - red

Synthetic handle and grip, in accordance with FIFA-regulations. Per unit.

Ref. no. S6.S7215

### 2. Linesman flag - yellow

Synthetic handle and grip, in accordance with FIFA-regulations. Per unit.

Ref. no. S6.S7216

### 3. Linesman flag - chequered

Red – yellow, synthetic handle and grip, in accordance with FIFA-regulations. Per unit.

Ref. no. S6.S7217

### 4. Substitute board

Manually operated, numbers from 1 to 30, hinged plastified plates with handle. Per set of two pieces.

Per set.

Ref. no. S6.S7252

### 5. Substitute board

Manually operated, numbers from 1 to 25 hinged, plastified plates with handle. Per unit.

Ref. no. S6.S7251

### 6. Substitute board

Manually operated, numbers from 1 to 99. Double face 7-segment digits. Per unit.

Ref. no. S6.S7254

### 7. Substitute board - electronic

Electronic LEDS, digits 25 cm from 0 to 99. 12V battery-operated, battery charger and synthetic carrying bag included. Preselection of the players' numbers: red for the player leaving the field, yellow for the substitute. Per unit.

Ref. no. S6.S7250

### 8. Referee whistle chromed, with lanyard

Ref. no. S6.S8901

### 9. Electronic referee warning set

As used in 1998 World Cup. Set comprised of 2 chequered linesmen flags, with pushbuttons in the hand grips. The referee carries a receiver, which warns him with a beep whilst it also gives a vibration signal.

Complete set, including batteries, packed in a sturdy case.

Size 4.

Ref. no. S6.S7157

### 9. School football

Size 5, plastic.

Ref. no. S6.S7115

### 10. Rubber football

Nylon wound, size 5.

Ref. no. S6.S7126

### Rubber football

Nylon wound, size 4.

Ref. no. S6.S7127

### Rubber football

Nylon wound, size 3.

Ref. no. S6.S7128

### 11. Competition, Byrex leather, handsewn

Size 5, FIFA approved.

Ref. no. S6.S7116

### 12. Competition, leather, handsewn

Size 4, FIFA approved.

Ref. no. S6.S7121

### 13. Training, Byrex leather, handsewn

Size 5

Ref. no. S6.S7122

### Training, Byrex leather, handsewn

Size 4

Ref. no. S6.S7123

### 14. COMPETITION football, PU shine

Perfect balance, 32 panels handsewn, size 5

Ref. no. S6.S7160

### 15. SUPREME football, PU shine

First class competition football, perfect ball for all weather conditions, 32 panels handsewn, size 5

Ref. no. S6.S7161

### 16. MOONSTAR football, PU kid

Allround competition football, 32 panels handsewn, size 5

Ref. no. S6.S7162

### 17. SUPER MATCH football, PU kid

Good quality competition/training football, 32 panels handsewn, size 5

Ref. no. S6.S7163

### 18. ULTIMAX football, BL shine

Excellent training ball, 32 panels handsewn, size 5

Ref. no. S6.S7164

## Five-a-side football

Dimensions of goal 480 x 120 cm

### 1. Fixed type

Freestanding durable high quality aluminium goal, 80 x 2.5 mm. uprights and crossbar with 30 x 3 mm. aluminium net supports. Per unit.

*Ref. no. S6.S7015*

### 2. Folding type

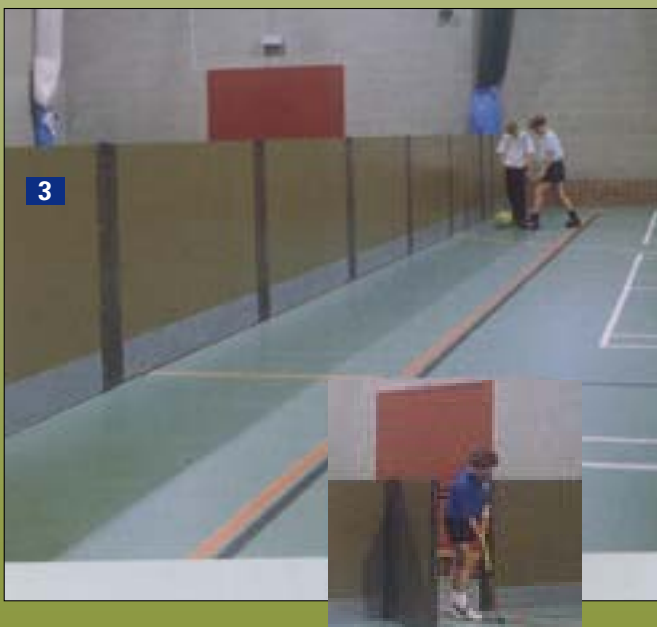

In- and outdoor, tubular metal 50 mm diameter, net supports fold for easy storage, non-skid rubber floor protectors. White enamel finish, highly scratch-resistant. Per unit.

*Ref. no. S6.S7002*

### Net

Very strong polyethylene, white, thickness 2,5 mm, meshes 12,5 x 12,5 mm. Per unit.

*Ref. no. S6.S7010*

### 3. Rebound wall

With socket type posts. Panels 122 cm high. Five-a-side screens are manufactured from wooden panels with tough laminated finish. Panels measure 244 x 122 cm high and are held in place by steel support posts located into floor sockets. One or two access doors are provided. Any dimensions can be accommodated.
